

## *Frost in the Dog Lot*

(with apologies to Frosty the Snow Man)

Frost in the Dog Lot  
is a sight we long to see  
For it freezes mud and kills the bugs  
and the dogs all dance with glee

Frost in the Dog Lot  
is a fairy tale some say  
but the children know how it brings the snow  
so we can go and play

There must have been some magic in  
that old harness we found  
cause when we bring it out  
all the dogs will dance around

Oh, Frost in the Dog Lot  
is a sight we soon shall see  
so don't give up hope  
just use lots of soap  
(I bought stock in Tide you see)

Pad didi pad pad  
Pad didi pad pad  
Look at sled dogs go  
Pad didi pad pad  
Pad didi pad pad  
Over the fields of snow

Eric
